- at least 2 years' experience in general paediatrics including neonatology
- proficient clinical and technical skills in:
  - phlebotomy;
  - cannulation;
  - lumbar punctures;
  - neonatal intubation (including babies < 1 500g);
  - neonatal ventilation skills;
  - neonatal chest drain insertion;
  - neonatal umbilical line insertion;
  - long line insertion.

Extras (not compulsory):

- Accredited training in both paediatric and neonatal resuscitation.
- Registration with the Irish Medical Council.

## **Generic Requirements for Non-Consultant Hospital Doctors:**

- participate as a member of a multi-disciplinary team in the provision of medical care to patients;
- diagnose and treat patients;

- ensure that duties and functions are undertaken in a manner that prioritises the safety and well being of patients;
- assess patients on admission and/or discharge as required and write detailed reports in the case notes;
- order and interpret diagnostic tests;
- initiate and monitor treatment;
- communicate effectively with patients and clients;
- further progress knowledge of diagnosis and management;
- participate in multidisciplinary clinical audit and proactive risk management and facilitate production of all data/information for same;
- co-operate with such arrangements as are put into place to verify the delivery of all contractual commitments;
- co-operate with such measures as are necessary to ensure compliance with the requirements of the European Working Time Directive and related Irish legislation;
- co-operate with investigations, enquiries or audit relating to the provision of health services;
- comply with statutory and regulatory requirements, agreed training principles<sup>1</sup> where appropriate, corporate policies and procedures and human resource policies and procedures (e.g. Dignity at Work, Trust in Care, Flexible Working Scheme etc.);
- attend at NCHD Induction. Induction training before the commencement of the employment relationship is not paid, while induction training during the currency of the employment relationship is paid;
- perform other duties as required by the supervising Consultant / Clinical Director / Employer.

#### **Benefits:**

- 24 days holidays per year.
- Educational leave.
- Salaries ranging between 50.578€ and 60.305€ depending on experience + overtime.

Συνολικά, υπάρχει διαθεσιμότητα θέσεων σε διάφορες βαθμίδες εξειδίκευσης, όπως:

Specialty	Grade	Registration required	Number of positions
Paediatrics	SHO, Registrar and Consultant level	GMC and IMC registration is an advantage but it is NOT a MUST	11
