The Director-General of the World Health Organization presents her compliments to Members of the European Region and has the honour to refer to Rule 47 of the Rule of Procedure of the Regional Committee for Europe (hereinafter the "Rules of Procedure"), a copy of which is attached herewith, concerning proposals for the names of candidates for nomination by the Committee for the post of Regional Director.

In accordance with Rule 47.3 of the Rules of Procedure, not less than eleven months before the date fixed for the opening of a session of the Committee at which a person is due to be nominated as Regional Director, the Director-General shall inform each Member of the Region that she will receive proposals of names of candidates for nomination by the Committee for the post of Regional Director. In accordance with Rule 47.4 of the Rules of Procedure, such proposals as well as particulars of the person's qualifications and experience, shall be sent to the Director-General so as to reach her not less than seven months before the date fixed for the opening of the session of the Regional Committee. Further, in accordance with Rule 47.5 of the Rules of Procedure, a person holding office as Regional Director shall, if he or she is eligible, and has so requested within the same time frame referred to in Rule 47.3 (i.e., not less than eleven months before the date fixed for the opening of the session of the Regional Committee), be a candidate for nomination without being proposed under Rule 47.4.

The sixty-fourth session of the Regional Committee for Europe is to be held at the Regional Office for Europe in Copenhagen, Denmark from 15 to 18 September 2014. The Director-General shall therefore receive, for consideration by the Regional Evaluation Group appointed by the Regional Committee at its sixty-third session and, in turn, by the Regional Committee, any such proposals for the names of candidates, provided that these reach her in Geneva, as referenced above, not later than the closure of working hours on Friday, 14 February 2014. Any such proposals must be accompanied by particulars of each person's qualifications and experience.
