# Edito

Dear Friends and Colleagues,

We are happy to confirm that the fourth edition of the EuroValve congress will take place at the Hotel Bloom! in Brussels, Belgium in March 10 & 11, 2016.

This year again we always intend to favour more interactivity and discussions, especially thanks to several symposia, industry symposia, controversies and round tables with expert's panel.

Again, over 2 days, we will present an extensive program dedicated to valvular heart disease, focusing on genetics, surgery, epidemiology, transcatheter valve replacement, echocardiography, new imaging...

As you know, valvular heart disease is getting more and more frequent and now represents one of the most frequent heart diseases.

Incredible advances have occurred in the last few years about valves diseases, concerning both their evaluation and their management.

New diagnostic techniques, new therapeutic strategies, new therapeutic methods are now available.

EuroValve 2016 will illustrate these most recent advances, presented by the best world specialists in valve disease.

We are looking forward to meeting you in Brussels.

**The course directors**  
*Patrizio Lancellotti, Khalil Fattouch, Gilbert Habib,  
José Luis Zamorano and Raphael Rosenhek*

HOTEL

Hotel Bloom!

Stay at the heart of Brussels, in the hotel where no two rooms are alike. Each of our big, bright rooms features a unique fresco hand-painted by a young European artist.

How about asking young artists to decorate the rooms. Yep, all 287 of them! As a guest, you get something unique: the luxury of choosing a hand-painted mural inspired by the word "bloom".

Services:

- Free WIFI throughout the entire hotel.
- mineral water (and feel free to fill the minibar with your own favourite drinks).
- A Grab & Go-corner with tasty snacks open 24/7 at the reception (the hotel does not provide room service).
- Front office open 24h/24h.
- Free state-of-the art fitness centre on the 8th floor, with great views over Brussels. You'll find everything for your cardio or muscular workout as well as free towels, fruit and water.
