ΠΡΟΣΚΛΗΣΗ

Αγαπητοί συνάδελφοι

Απλά βήματα υπερηχογραφικής εξέτασης σε πραγματικό χρόνο, συντονισμένα σε συγκεκριμένο μοτίβο με βάση τους “απλούς κανόνες” της πολυκεντρικής μελέτης IOTA (**International Ovarian Tumor Analysis**) οδηγούν το γιατρό μέσα από την απεικόνιση της πυέλου να ανιχνεύσουν τον κίνδυνο υποκείμενης νεοπλαστικής εξεργασίας με εξαιρετικά μεγάλη ακρίβεια.

Σε αυτή τη συνάντηση θα έχουμε την ευκαιρία σε πραγματικό χρόνο να μοιραστούμε την πολύτιμη εμπειρία των κύριων ερευνητών της μελέτης IOTA (Dirk Timmerman, Tom Bourne and Wouter Froyma) και να μοντελοποιήσουμε την ήδη υπάρχουσα δική μας υπερηχογραφική εμπειρία. Η απόκτηση του ευρωπαϊκού διπλώματος IOTA, με τη συμμετοχή μας στις εξετάσεις στο τέλος της πρώτης μέρας, θα κατοχυρώσει το δικαίωμα υπερηχογραφικού πορίσματος ωθηκικής βλάβης στην καθημερινή κλινική πράξη ως Ευρωπαίους πολίτες.

Τη δεύτερη μέρα, όλοι μαζί θα εφαρμόσουμε σε “πραγματικό χρόνο” όλους τους διαθέσιμους κανόνες και αλγορίθμους που διαθέτουμε κατά την υπερηχογραφική διερεύνηση της πυέλου, συνδέοντας κλινικά σενάρια, επεξεργασία δεδομένων σε υπολογιστή και εξέταση υπερηχογραφική γυναικών εθελοντριών.

Ελπίζουμε μέσα από αυτή τη συνάντηση να εμπλουτίσουμε την εμπειρία όλων μας.

Με συναδελφικούς χαιρετισμούς
Απόστολος Αθανασιάδης
Αικατερίνη Ντόμαλη

INVITATION

Dear colleagues,

It is a great pleasure to invite you to the IOTA (**International Ovarian Tumor Analysis**) seminar that will be held on the 20th of September at the Crown Plaza Hotel, in Athens.

Ultrasound examination, when performed via simple steps along the clearly defined IOTA 's simple rules, assist the gynecologist to discover the risk of the possible underlying malignancy.

During our seminar, we will be able to share the valuable experience of the IOTA principal investigators (Dirk Timmerman, Tom Bourne and Wouter Froyman) and to bring up the latest data to our well-established ultrasound experience. Furthermore, the IOTA European Diploma, after exams at the end of the first day, will provide certification in our daily clinician practice.

On the second day, we will apply all the available rules and algorithms regarding pelvic pathology combining clinical scenarios, PC data manipulation and finally real-time gynecological ultrasound examinations.

We hope that this seminar will be extremely useful and will expand our experience.

With regards

Apostolos Athanasiadis
Ekaterini Domali

Friday • 20.09.2019

Hotel Crowne Plaza

10:30-11:30	Registration
11:30-14:00	SESSION I Moderators: A. Athanasiadis, N. Papantoniou, P. Drakakis
11:30-12:00	The Basics of Ultrasound in Gynaecology I. Dimitrakopoulos
12:00-12:30	How To Describe Endometrial And Myometrial Pathology – The Ieta And Musa Consensus W. Froyman
12:30-13:00	Avoiding Diagnostic Errors In Early Pregnancy T. Bourne
13:00-13:30	Managing Pregnancy of Unknown Location (PUL) and Diagnosing Ectopic Pregnancy D. Timmerman
13:30-14:00	Ultrasound In Acute And Chronic Pelvic Pain T. Bourne
14:00-14:30	COFFEE BREAK
14:30-14:40	Welcome of participants E. Domali, A. Athanasiadis, N. Papantoniou, D. Loutradis
14:40-17:30	SESSION II Moderators: N. Papantoniou, D. Loutradis, A. Rodolakis
14:40-15:00	The IOTA nomenclature – The fundamental basis of using IOTA Rules and models D. Timmerman
15:00-15:30	Art, Pattern recognition and Simple Descriptors to Classify ovarian masses T. Bourne
15:30-16:00	IOTA Simple Rules and Simple Rules Risks – What are the rules and features and how can they be used to give a risk of malignancy for all masses D. Timmerman

Registration Fee

	20 September 2019* Crowne Plaza Athens Hotel IOTA Course, IOTA Certification	21 September 2019** Alexandra Hospital Clinical cases, Hands on course
Participants	100 €	120 €
Trainees	80 €	120 €

The above rates include VAT 24%

* Limited participation (**80 persons**)

** Limited participation (**30 persons**)

Registration fee for Friday 20 September includes:

- Access to scientific program
- Congress material
- IOTA diploma examinations
- Certificate of attendance
- Coffee breaks

Registration fee for Saturday 21 September includes:

- Access to scientific program
- Congress material
- Clinical cases and hands on course participation
- Certificate of attendance
- Coffee breaks

REGISTRATIONS

Please register by email at ek@mdcom.gr.

Due to limited availability strict priority will be kept.

General Information

ORGANIZED BY

Hellenic Society of Ultrasound in Obstetrics and Gynecology

University of Athens Medical School, 1st Department of Obstetrics and Gynecology

PLACE AND DATES

Crowne Plaza Athens Hotel (Friday 20 September 2019)

Alexandra Hospital (Saturday 21 September 2019)

ACCREDITATION

The Hellenic Society of Obstetrics and Gynaecology (HSOG) will grant 5 credits to the Seminar.

CERTIFICATION OF ATTENDANCE

Certification of attendance will be provided to all participants from the Secretariat.
