## Welcome message

Dear colleagues,

It is a great pleasure to invite you to the **Breast Imagery and Live Surgery Course** which will take place on **Friday May 19<sup>th</sup> and Saturday May 20<sup>th</sup> 2023** in Athens, Greece.

This course is co-organized by the **(Mastology Association of Northern & Southern Mediterranean : International Mobile University of Mastology)**. The course is dedicated to Gynecologists, Breast Surgeons, Radiologists, Plastic Surgeons, Oncologists, Midwives and other specialties.

The aim of the course is to offer high-quality teaching in the field of breast radiology and surgery and, in the same time, participation and establish hope to advance exchange of knowledge and experiences, by bringing together experts with high quality lectures with interactive workshops hands-on training.

MANOSMEDI is recognized as an International Academic Institute with high level of expertise in Mastology (breast diseases).

It's a great honor for us to welcome all of you in the city of Pericles and to continue the teaching of Medicine as started 2.500 years ago from our spiritual father Hippocrates.

We are looking forward to welcome you in Athens.

**Prof. Stefanos Zervoudis MD, PhD**

President of MANOSMEDI (Greece and France)  
Gynecologist and Breast Surgeon

Dear colleagues,

On behalf of the University of West Attica Athens, it is a great pleasure to invite and welcome you to the Breast Imagery and Live Surgery Course, which will take place on Friday May 19th 2023 in Athens.

The universal and interactive participation of colleagues of all specialties, who deal with the treatment of breast problems from all over the world, will lend prestige to the important event of MANOSMEDI.

Covering all the scientific fields of Mastology, we aspire to the Workshop to highlight its potential and achievements, resulting from the collaboration of colleagues with different specialties that have a common goal for better and more complete treatment forwards women.

We are confident that the Breast Imagery and Live Surgery Course will be a valuable and enjoyable experience to you.

**Chaniotis Demetrios MD, PhD**

Professor and Head of the Department of Biomedical Sciences  
School of Health & Care Sciences  
University of West Attica

## COURSE VENUE

Course Venue | Rea Maternity Hospital  
Syngrou Avenue 383, 17564 Palaio Faliro, Athens Greece

**REA Hospital** was born in 2007, based on the vision of a team of distinguished obstetricians gynecologists and began its operation in 2010. REA has become the point of reference for Private Health Care in Greece, not only for the high quality healthcare services provided but also for the scientific developments and innovations.

**LOCATION: REA HOSPITAL** is located in a strategic position at the Delta of Faliro, which connects the cosmopolitan city of Athens, the beautiful southern suburbs, and the international port of Piraeus.

- ✓ From the Airport: 40 km
- ✓ From the Port of Piraeus: 8 km
- ✓ From the Center of Athens & Acropolis: 4,5 km

## Course Secretariat Opening Hours

Friday May 19th 2023 | 08.00-18.30  
Saturday May 20th 2023 | 08.00 -18.00  
Email:congress2@prctravel.gr

---

## Speakers Ready Desk

A Speakers Ready Desk will be available for presenters, every day during Course. Please note that you need to bring your presentation (PPT or PDF format) on a CD (not a ZIP disk!) or on a USB stick. Personal laptops are not allowed.

We advise you to do this the day before or, if not possible, early in the morning of the day of your presentation.

---

## Wireless Access

The wireless network will be freely available by all the course venue public areas.

---

## Smoking

Smoking is not allowed within the Congress Venue. You can smoke though outside the building.

## Travelling - Passport and Visas

---

Visas are required from citizens of some foreign countries. Participants should check with their travel agents, Greek consulate offices or diplomatic missions in their own countries whether or not visas are required.

## Liability and Insurance

---

The organizers cannot be held responsible for accidents which may occur to participants or accompanying persons, or for any damage, loss of personal property or cancellation expenses. Participants are kindly advised to carry out their own insurance arrangements during their stay in Greece.

## Useful Information

### Time

---

GMT+2 (GMT +3 between last Sunday in March and last Sunday in October).

### Climate

---

The climate in Greece is typically Mediterranean with warm and dry summers and mild winters. Athens has a typically Mediterranean climate.

For more information please visit: [www.freemeteo.com](http://www.freemeteo.com) or [www.bbc.co.uk/weather/](http://www.bbc.co.uk/weather/).

### Electric Current

---

Electricity in Greece, as in the rest of Europe, comes out of the wall socket at 220volts alternating at a 50cycles per second. The sockets are for plugs with two or three round pins in a row (CEI 23-16/VII and CEE 7/4 German style Schuko). Appliances from North America require a transformer and British ones an adaptor

### Currency

---

Euro is the official currency in Greece. Money exchange is available in most of banks. There are plenty of cash dispensers in Heraklion. Major international credit cards are widely but not always accepted in Greece (check in advance is small restaurants), and are not commonly used for small amounts. Banks are open from Monday to Thursday 08:00-14:30 and on Friday 08:00 – 14:00.

## **Credit Cards**

---

All major credit cards are accepted in almost all hotels, shops and restaurants. Stickers in the front windows will advise you as to which cards are accepted.

## **Banks and ATMs**

---

Banks are open from Monday to Thursday, 8:00-14:30 hrs and on Friday, 8:00-14:00 hrs; on Saturdays and Sundays they are closed. ATMs are widely available all over the country. For further details while in Greece please consult your hotel concierge. ATM is available in REA Hospital, at ground floor.

## **International Calls**

---

Dial 00 + country code + area code + phone number. The international code number from abroad is + 30 followed by the number code of the person you are calling, comprehensive of the '210' Athens region.

## **Transfer from Athens Airport to the city centre**

---

The airport is situated about 25km of Athens city center. You can travel from Athens airport to the city centre using three different means of transport; metro, bus and taxi. The cheapest transportation option is the public bus, at only 6€ per person for a one-way ticket. The fastest option is an Athens airport taxi, which comes at a cost of 38€ per ride. Another means of transportation is the metro, which leaves every 30 minutes and costs 10€ one-way.
