Birmingham Live Surgery Shoulder Course

Sponsored by:

Smith+Nephew

Date: 13th May 2023

Venue: Queen Elizabeth Hospital, Birmingham, UK

Course Description

We are delighted to be sponsoring an arthroscopic live surgery event held at the Queen Elizabeth Hospital in Birmingham - Live streamed from the theatre complex to the auditorium onsite, with an online dial in option available.

The day will include presentations of tips and tricks for key arthroscopic techniques combined with moderated sessions.

Delegates will have an excellent opportunity to observe the following techniques:

- Arthroscopic Rotator Cuff Repair
- Superior Capsular Reconstruction
- Arthroscopically Assisted Lower Trapezius Transfer
- Arthroscopic Latarjet with buttons
- Arthroscopic Bone Block

Course Convener

Mr. Socrates Kalogrianitis

Consultant Orthopaedic Surgeon
University Hospitals Birmingham
United Kingdom
